Vegetable Literacy: Cooking and Gardening with Twelve ... Destined to become the new standard reference for cooking vegetables, Vegetable Literacy shows cooks that, because of their shared characteristics, vegetables within the same family can be used interchangeably in cooking. It presents an entirely new way of looking at vegetables, drawing on Madison's deep knowledge of cooking, gardening, and botany. Vegetable Literacy: Cooking and Gardening with Twelve ... Vegetable Literacy is carefully researched and well organized, an interesting read for plant lovers as well as cooks. My reservation about the book is that it is too beautiful. I don't feel inspired to bring it into the kitchen, it doesn't beg to be splattered and stained. Vegetable Literacy: Cooking and Gardening with Twelve ... In Vegetable Literacy, Deborah Madison elegantly folds together a joy of gardening, a fascination for botanical kinship, and an expansive knowledge of fine and simple cooking. This book is a nutrient-dense treasure.
